

Ethical Decision-Making Day *(For 11th Grade students)*

Annually, 11th grade students have the opportunity to visit the York College of Pennsylvania Campus. The field trip is related to our studies of Ethical Decision Making Day. Students will be engaged in activities in preparation for this trip and will participate in follow-up instructional activities. This is another opportunity to extend our curricular studies to include experiences outside of the classroom setting and acts as a piece of the graduation required Culminating Portfolio.

Trip Guidelines:

- No cost/fee
- The approximate hours of this field trip will be from 8:30 a.m. until 2:30 p.m.
